## 'America Needs California': Gavin Newsom Promises 'Bold' Approach During Inauguration As Governor

*January 8, 2019*  
Capital Public Radio

Gavin Newsom is now the 40th governor of California's nearly 40 million people. The former lieutenant governor and San Francisco mayor took the oath of office Monday underneath a tent at the steps of the state Capitol, vowing to "be bold" and "aim high" — because, the Democrat said, "America needs California." [Read more here](#).

## New Report Finds Small Public Companies Not in Compliance With New Board Diversity Law

January 3, 2019  
Los Angeles Business Journal

More than half of California's smaller, micro-cap companies are out of compliance with a recently enacted California law requiring publicly traded companies to have at least one female board member, according to a forthcoming study by the author of the gender diversity report that prompted the new state law. [Read more here.](#)
