

Website Marketing Opportunities @ www.whittierchamber.com

FREE

Basic Listing

Listing includes business name, contact person, address, phone number, business category, 5 searchable key words, and your website linked from our site to yours.
This is included in your chamber membership!

\$300

Member Profile Package

Spotlight your business with an enhanced listing in our searchable business directory, plus a 1600 character description of your business, 5 bullet points, 20 searchable key words, your logo, a multimedia gallery, social media links, and a map to your business all on your individual *member profile page*.

\$150

Enhanced Search Package

Get noticed with a basic listing, plus priority placement at the top of the search results, a 200 character description of your business or company tagline, your logo, and 10 searchable key words.

\$100

Logo Advertising

Gain visibility with your logo or photo alongside your basic listing for added exposure on both the search page and your member profile.

\$100

Additional Category

Add an additional category to your basic listing so your customers can find you easier! *(ex: restaurants that also offer catering services should be listed in both categories)*

\$600

Banner Advertising

Features your banner ad linked directly to your website from ours on the search results page *in a specific business category* and includes the enhanced listing above with priority placement.

(ex: Business X is an auto body shop; Business X's banner ad will be featured at the top of the search results page when looking in the Auto Body business category; Business X's listing will be at the top of the search results)

\$1000

Premiere Billboard Advertising

Be one of our *exclusive website sponsors* with a premiere banner ad on the **main homepage directly linked to your website**. Includes both web packages listed above, plus additional marketing and exposure via other Chamber advertising vehicles.

Website marketing packages are good for one year.
